Stamp Features

Whether you need stamps for the home, the office or the school, each stamp features the highest quality components to ensure trouble-free repetitive use.

Up to 600 dpi resolution

With a 600 dpi (dots per inch) print quality, every stamp impression that you make will be clear, clean and sharp.

Many sizes to choose from

Stamps are available in many different shapes and sizes.

Pre-inked, refillable and fast drying

All stamps are pre-inked and refillable which means no messy ink pads are needed. The ink is also fast drying to prevent smudging.

Durable, easy to use

The surface of the stamp has been created using a durable rubber that helps extend the life of the stamp. All stamps are compact so they're easy to handle and use.

Long-lasting

Stamps will last up to 50,000 impressions with proper re-inking.

Easy re-inking
